

## **EZ PICKUPS HAWAII**

### **Coronavirus (COVID-19) Update**

The health and safety of our employees and customers is a top priority at **EZ Pickups Hawaii**. While our drivers are out in the community, we thank you for your help and patience.

#### **Driver Health & Safety**

In order to keep our drivers healthy and on the road, we ask your help by remembering the following guidelines:

- All rubbish must be in bags, tied at the top and placed out by 7am on your day of service.
- We appreciate you wiping the handles and covers of your trash cans with disinfectant wipes that we must handle.

#### **Customer Service**

Our office is open and a customer service representative is available to answer any inquiries you may have.

We appreciate your cooperation! Please stay safe and healthy.
