**Echo**

„This is very impressive playing indeed ...  
Enthusiastically recommended.”  
(*BBC Music Magazine*)

„...one of the best performances of the Op. 7 work  
...an impressive release.” (*Gramophone*)

„The Ensemble is tight, playing smooth, and recorded  
sound warm ...this disc should suit nicely.” (*Fanfare*)

„Excellent” (*Le Monde de la Musique*)

„Ecezionale” (*Musica*)

"doux et brillant" (pizzicato)

"Een absoluut juweel" (Klassiek)

"Soprano Christiane Oelze's pure intonation and  
ethereal tone ideally combines with the deep,  
bittersweet sonorities of the Leipzig Quartet ... this  
performance is one of the most gripping and inspired  
committed to disc." (*Classics Today*)

"If any ensemble or recording could win doubting  
listeners over to this repertoire, this is it. The  
recording balance is perfect." (*Penguin Guide*)
