

The National Unpaid Carers Union and Forum

As Union Fundraiser you will be responsible for the suggestion and implementation of activities to raise vital funds for the NUCUF.

As we are a non-profit organisation who relies solely on the generosity of our members and the public, you will be pivotal in the day-to-day operation of our justgiving account, where you will post updates on milestones that we have reached with our fundraisers.

Day-to-day tasks

You would:

- research, develop and plan fundraising ideas
- keep records and report on performance
- manage our justgiving fundraising account
- control promotional advertising budgets and meet targets
- write updates on various milestones with our justgiving account

Ideally you would have a background in fundraising for charity.

This is a voluntary position and as such we would not ask you to do more than you can, if you can provide 5-10 hours per week we would love to hear from you.
