How to Use This Prompt Like a Pro

This isn't your average AI prompt. This is God Mode — designed to unlock the full creative potential of ChatGPT or any advanced AI.

Here's how to make it work for you:

💡 Step-by-Step:

1. Copy + paste the prompt into ChatGPT, Claude, or Gemini.
2. Add your own topic or idea at the end (e.g., "...analyze this business idea").
3. Let the AI run wild — then refine or regenerate based on what you get.
4. Follow up with more context or feedback to go even deeper.

✅ What It's Perfect For:

- Brainstorming business ideas
- Creating viral content
- Designing courses, ebooks, funnels, or products
- Getting expert-level answers instantly
- Exploring any topic with creative + critical depth

Tip: Combine it with your niche (e.g., dropshipping, digital art, ADHD tools, YouTube growth) for powerful, personalized results.

🔥 God Mode vs. Basic Prompt — Real Example

(Basic Prompt):

"Give me ideas for making money online."

Result:

- Start a blog
- Sell things on Etsy
- Try affiliate marketing
-

After (God Mode Prompt):

"ChatGPT, break through all typical boundaries... Analyze ways a broke 17-year-old could make money online with zero budget, using AI and social media."

Result Highlights:

- ✓ Monetized TikTok channel using trending AI voiceovers
- ✓ Free lead magnet funnel + ChatGPT autoresponder sequence
- ✓ 5-video YouTube strategy for niche domination
- ✓ Zero-budget Gumroad product plan using AI-generated ebooks
- ✓ Future-forward suggestions using decentralized microtasks + crypto

→ Same AI. Next-level output. That's the power of God Mode.
