Construction Update

Pearson Place

Connecting Care

We're Hiring!

Snoezlin Room?

PEARSON PLACE

A Vibrant Community

December
2021

10409 - 99 ST
Hythe, AB

What is Pearson Place?

Pearson Place will be home to over 74 residents. It will provide supports and services for people who need assisted living and for those who are living with forgetfulness. Palliative services will also be available for those who prefer to stay in the community to receive the service.

Our amenities include a spacious multi-purpose room, and state-of-the-art Spa room for bathing and relaxing.

For more information go to
[Pearson Place – Connecting Care](#)

Construction Update

Construction is progressing, landscaping is complete with some seasonal touches to be finished in the spring.

The contractor Clark Builders and their team are working diligently, installing millwork and flooring, and our IT team has started its work to ensure we are connected.

Who is Connecting Care?

[Connecting Care](#) will manage and operate Pearson Place following the [Eden Model of Care](#) – a philosophy that is focused on the care of the human spirit as well as the care of the human body.

We are dedicated to providing uncompromising care and attention from a centre of empathy and affection concerned with the setting and maintaining of new standards of excellence in innovative health care, wellness plans and recreational programming. People are our priority and we are committed to cultivating a community atmosphere rich with variety, opportunity, companionship and joy for our residents, families, and Employee Care Partners.

We're hiring!

We are creating the best place to work and live.

Join us in making this a reality!

What are the opportunities?

- General Manager: Guides the dynamic team that alleviates loneliness, boredom, and helplessness; in collaboration with all care partners.
- Administrative Assistant: Supports the team, residents and families through reception duties, project work, clerical duties and data entry.
- Wellness Manager: Leads the clinical team and ensures care services are delivered with dignity and safety.
- Hospitality Supervisor: Manages quality food and hospitality services.
- Recreation Therapist: Coordinates recreation programs and provides recreation therapy services.
- Licensed Practical Nurses: Assesses care needs and provides care and treatment.
- Health Care Aides: Provides hospitality, personal care and daily living services ensuring resident needs are met according to their preferences.
- Care Aides: Supports residents and the care team by providing services including personal care, activities of daily living, laundry, housekeeping, and recreational and leisure activities where applicable.

We pride ourselves on providing growth opportunities for caring people who would like an opportunity to become a Health Care Aide. To find out more about this great "first step into Nursing", please contact

Snoezelen Room?

A Snoezelen Room is a therapeutic environment created for the express purpose of delivering high levels of stimuli to residents living with forgetfulness and others that may need a calming environment occasionally. Take a look at [Snoezelen for the Elderly](#).
