These options **do not** include assessments, support, admin review, client bridge, or metric tracking. **These only include** platform access, setup and DC costs.

Platform Access Fee: this recurring fee is charged either as a **discounted single payment** (25% discount) yearly rate or a **standard, recurring** monthly rate and helps us keep our systems running in top shape.

OTS fee: this one-time fee is mandatory across our platform, and helps us cover the cost of administrative enrollment

DC fee: this recurring fee is charged monthly, per client enrolled unless enrolled with yearly payment, which includes up to 10 clients. This fee covers a variety of functions in the coaching spectrum. Message us today and learn what is covered.
