Well-loved Works

"Their sound is as clear as running water, with a judicious use of vibrato, and a well-rehearsed sense of musical dialogue... They bring an engaging naturalness and elegance to the phrasing that is simply delightful... Outstanding German Quartet who bring great clarity of sound and texture to these well-loved works." (Classic CD)

"...l'ampleur des inflexions et la beauté des phrasés dans l'un et l'autre quatuor sont remarquables." (Le Monde de la Musique)

"...perfecte opnamekwaliteit van MDG: andermaal komt het Leipziger Streichquartett uit de verf als een van de toonaangevende kwartetten van het moment." (Klassieke Zaken)

"Energetic and highly assured readings paying great attention to detail, superbly recorded" (Gramophone)
