What the press says:

String Quartets

"Ethereal beauty. These thoughtful, technically polished, superbly recorded accounts command attention." *Fanfare*

"Fine sound, considered interpretation and an expressive approach to tempo" *Gramophone*

"They are an ensemble of real quality, having not only immaculate polish and tonal finesse ... but also an immensely musical approach, civilized without the slightest trace of over-sophistication ... taken on its artistic merits, this is distinguished playing."
Int. Record Review

String Quintets

"What magical performances these are! ... Bravo, Leipzig!" *Fanfare*

"They tread a fine line to recreate Beethoven's expanded intentions ... good sound and balance"
Gramophone

Upper Echelons

Elegance and taste, a natural virtuosity, most finely balanced dynamics and intonation together with the most precise knowledge of the score and a flawless intuition for the right moment to let go – these are the hallmarks of the Leipzig String Quartet, which has produced countless standard-setting recordings with its more than seventyfive CDs during nearly twenty five years with MDG and has long had its place in the chamber music world's upper echelons.
