EARLY LEARNING STANDARDS:

LITERACY

- Combines onset and rime to form a familiar one-syllable word with and without pictorial support (e.g., when shown several pictures and adult says "/c/" + "at," child can select the picture of the cat)
- Makes real-world connections between stories and real-life experiences

MATH

- Recognizes and names two-dimensional shapes (circle, square, triangle and rectangle) of different size and orientation
- Demonstrates one-to-one correspondence when counting objects placed in a row (one to 15 and beyond)
- Recognizes the unit of repeat of a more complex pattern and extends the pattern (e.g., ABB or ABC)

SCIENCE

- Makes predictions and tests their predictions through experimentation and investigation
- Begins to explore and discuss simple observations of characteristics and movements of the clouds, sun, moon and stars
