

Connect. Collaborate. Conquer.

Affiliate Membership with AIMSVAR is designed for companies offering complementary solutions and services to value-added resellers (VARs) in the healthcare IT industry. Gain targeted exposure, share expertise, and develop meaningful partnerships within a trusted community.

Our Mission

AIMSVAR's mission is to **promote** the **success** of healthcare value-added resellers (VARs) and affiliates, to **educate** and **empower** its members through resources and services, and to **assist** and **strengthen** the healthcare landscape through collaboration, advocacy, and community.

Join the Community

AIMSVAR Affiliate Membership offers more than visibility—it's direct access to those delivering real-world solutions. If your products or services support the success of VARs and their clients, this is the place to connect and grow.

Direct VAR Access

Build relationships and explore partnerships with healthcare IT VARs.

Solution Webinar Series

Showcase your product or service directly to VAR members.

Directory Listing + Profile

Gain visibility and boost SEO with a custom profile page and backlinks.

Social Media Mentions

Get added exposure through AIMSVAR's social channels and newsletters.

Private Slack Channel

Engage with members for real-time promotions and questions.

Member Expertise

Leverage insights on software integration, EHR interoperability, or practice management.
